

**MEMBERSHIP APPLICATION**  
**INSTRUCTIONS**

**Below you will find specific guidelines to ensure your membership application is complete. Please read the full instructions carefully. Incomplete forms can not be processed.**

The 2023 Membership/license Application consists of three pages. The Application page and the Agreement of Release and the Driver's and Parents Pledge must accompany that sheet if the participant is under the age of 18.

Choose the appropriate fee for the driver to be registered based on the date that the application is submitted. The membership fee is per driver. There is a discount if you register and payment is received prior to February 1, 2023 No exceptions.

Make sure to fill in all the information required to process your application correctly. Please print clearly and be sure to sign and date where indicated.

All drivers under the full age of eighteen (18) require an Associate Member as their guardian. Only registered drivers and associate members will be permitted in the grid area.

Please enter **only one** driver per application form. Use a separate application form for each driver in your family. Complete all information lines. It is important to complete the driver section in full. If your address changes, please notify the Membership Registrar immediately.

Please include an e-mail address if available. E-mail provides a fast and economical way for the club to get **important** information to our members on short notice.
